

10th Grade Pathways

Welcome back 10th graders! We hope you are excited for a new school year. By now, you should be comfortable with our Pathways program. We wanted to reach out to you and highlight some of the opportunities Pathways has to offer.

We hope last year you explored a few electives, attended a career expo and maybe even joined a club or activity. In Career Exploration you had the opportunity to research several careers and interview with a professional. Hopefully, you discovered a few careers you may wish to consider. We want you to feel confident in your selected Pathway, and if not, **you can change your Pathway at anytime.**

This year, we want to encourage you to continue using the resources pathways has to offer.

We hope you:

- Attend a Career Expo (You must register to attend.)
- Join clubs
- **Complete a 2-3 hour job shadow; turn in a completed application to attendance and upload a reflection once the job shadow is complete (*application can be found under the mentorship tab in Pathway Manager*)**
- Attend special presentations and pathway field trips
- Upload two reflections into Pathway Manager

Please remember to check your PathwayManager account. Double check that your email and phone number are updated and correct. We use the PathwayManager system to send out important messages regarding opportunities and special programs.

Another important reminder: The new senior project rubric requires you to upload your reflections each year. ***You will have until October 25th to upload any past reflections from 9th grade. After October 25th, you will not be able to add your 9th grade reflections.***

While in your classes, continue to think about and explore areas of interest and remember, you can reach out to any of us with questions.

Have a great school year!

The Pathway Team

Staff that can help you:

5th Block Teacher

Job Shadow - Mr. Darcy B108
