

12th Grade Pathway 360

Congratulations Seniors! You finally made it! We hope that through the Pathways program, you were able to find a career path that supports your strengths and interests. We want you to graduate from Souderton with a self-awareness that will support you on your next journey.

This year in Pathways, you will focus on your **Senior Presentation**. You can choose to present on **November 7th or November 20th**. You will need to register for your selected date, so be sure to listen the announcements for signups.. To gain a better understanding of the senior presentations format, take a few minutes to view the sample videos listed on the HS website. You should also review the Senior Project Rubric to ensure you include all the required information. You can find the rubric in PathwayManager.

By now, you should have five reflections uploaded in PathwayManager. This year, you will need to upload one more reflection into PathwayManager, the **“Culminating Reflection”**. This reflection is for you to reflect on yourself as a whole: What made you choose your five reflections? What have you learned about yourself as a student? Be sure to look over the prompt in PathwayManager. You will need to bring all five reflections, plus your culminating, to your Senior Project Presentation.

Seniors also have the unique opportunity to join our Pathways team as a Student Ambassador. Ambassadors assist 9th, 10th and 11th graders through the Pathway process, host school events and support staff at assemblies and Career Expos. Ambassadors share their Pathway experiences to help underclassman answer questions about the process. If you are interested, please contact Mrs. Tarlo.
