

Starting a New Club at Souderton Area High School

A great way to get involved at Souderton Area High School is by joining one of our many clubs; however, if one does not exist that addresses your particular interests, do not hesitate to start a new one!

All clubs are subject to approval by Dr. Varano, our principal. To help ensure that your club meets the basic requirements, answer the following questions:

1. How will your club be different from any of the existing clubs we currently have at the high school? Each of our clubs should serve a unique purpose.
2. What is the goal of your proposed club? Why should Souderton Area High School support your club?
3. Do you have a teacher who will act as a moderator? All clubs at the high school require a teacher, guidance counselor, or administrator who is willing to act as the moderator of your club.

If you are different from any other club, have a goal that is related to the goals of the high school, and have a teacher moderator – you are ready to begin the application process.

Please complete the attached club application and submit it to Mr. Haines.
