Beginning on Tuesday, September 8th, all students will FIRST need to login to Schoology in their 5th Block between 7:00 and 7:40 AM to indicate their “present” attendance for the day.

Attendance

All students must login and answer the specified question in Schoology for their 5th Block between 7:00 and 7:40 AM daily. This question response will record your daily attendance. Logging in after 7:40 AM will be considered absent.

- Parents will have three (3) school days to send an excuse e-mail to an address to be determined.
- After three (3) days, the absence will be declared unexcused if a communication is not received from the parent.
 - Zero (0) grades will be issued on unexcused days.

Wednesdays

Students will need to login and answer the Schoology questions between 7:00 and 9:00 AM on Wednesdays.

Participation

- Teachers will post assignments that will require student engagement and receive a grade daily.
 - Students will need to submit this work by 11:59 PM.
- All other assignment and grading expectations would be the same as the teacher would have for in-person learning.
- Teachers will appear either in-person (e.g., using TEAMS) or on video (e.g., a recorded lecture) daily.
- Due to most of SAHS teachers having a schedule to teach both online and in-person, assignments may not be posted until as late as 1:00 PM.
- A small number of students have Brandywine Virtual Academy teachers. In these cases, a counselor will communicate to advise.

Live Learning

Teachers will conduct 30-60-minute live learning sessions on the days when their subjects are assigned (two days). Teachers will inform of this schedule during their first meetings.

Final Exams

Students will take final exams.
